

## Rural School Bus Pilot Project Year 3 Ranking List

Placement on the ranking list does not indicate you have been awarded funding. Selection of the awards is based on the maximum number of projects a school district can receive per funding year. A school district can only receive one (1) hybrid or internal combustion engine project or up to three (3) zero emission projects per funding year. For more information please call the NCUAQMD office at (707) 443-3093 or email [ruralschoolbus@ncuaqmd.org](mailto:ruralschoolbus@ncuaqmd.org).
